One Night. One Fabulous Feast.

For one low price, guests can experience mouth-watering appetizers, entrees, desserts, pastries, and drinks from the **area's finest restaurants, caterers, bakeries, delis and beverage companies** with a cash bar.

The Taste of the 7th is a community event sponsored by the Goochland and Powhatan Democratic Committees. Due to the nature of this event, we expect tremendous interest at this inaugural, cocktail event.

We are proud to hold this event at Independence Golf Club in Midlothian, a generous corporate sponsor of the event. This event is designed to provide guests an opportunity to try new cuisine they have not experienced before. This event is designed to showcase restaurants from across the 7th District, as well as a silent auction, special guests and an awards program.

There are two types of sponsorships available: [Event sponsorship and Silent Auction Donations](#).
